

**BARGAINING 2021**

**KEEPING YOU INFORMED**

## **USW Local 7600 and Local Bargaining**

*Are you tired of other service areas getting higher pay than you for the same work?*

**WE'RE RIGHT THERE WITH YOU!!!**

Our Local 7600 President and Vice President Valery Robinson and Liz Cuevas, alongside the Bargaining Committee, will open our local contract for the first time in 16 years!

By opening our local agreement, we can address key issues such as:

- Wage inconsistencies
- Shift Differentials
- Waive experience requirements when applying for internal positions
- Strengthen our grievance process

This year has been filled with unprecedented challenges but together, in unity and solidarity, we will fight hard to win the agreement we deserve.

We are prepared to fight for these issues at the Local bargaining table. We can also elevate any unresolved issues from the Local Bargaining table, to the National bargaining table to use the strength of the entire Alliance of Healthcare Unions to win a fair contract!

Join your union brothers and sisters at our next town hall meeting on March 11, 2021 at 6:00 pm to hear more from our local bargaining committee.
